

ECHELON

The Echelon™ sets a new standard for modern, striker-fired duty pistols. With a host of patent-pending features, this modular and highly adaptable handgun is designed around a robust stainless steel chassis and revolutionary optics mounting system.

Engineered with superior ergonomics and built to withstand the harshest conditions, the Echelon takes its rightful place at the front of the pack.

CENTRAL OPERATING GROUP

At the heart of the Echelon lies the all-new Central Operating Group. Employing cutting edge manufacturing techniques, the Central Operating Group is entirely self-contained and serialized allowing it to be easily moved between grip modules in seconds.

VISIONARY OPTICS INTEGRATION

Concealed beneath the slide cover plate is the Echelon's patent pending optic mounting system. The Variable Interface System allows users to mount over 30 optics directly to the slide without the use of adapter plate.
