

HELLCAT

After years of precision development and engineering combined with intensive collaboration with top engineers, shooters and self-defense experts, Springfield Armory® is proud to introduce the Hellcat® - the world's highest capacity micro compact 9mm.

Featuring a patented magazine with best in class capacity of 11+1 and 13+1 with included extended magazine, the Hellcat is designed specifically for every day carry with Adaptive Grip Texture™ and high visibility sights. Also available in an optics ready OSP™ configuration, the Hellcat gives you The Capacity to Defend.
