

HELLCAT **PRO**

Combining the performance of a larger handgun with class-leading concealability and capacity, the Hellcat® Pro is a compact pistol chambered in 9mm that offers 15+1 capacity in a smaller footprint than any other gun in its class.

Further enhancing that capacity the Hellcat Pro ships with an all new 17-round extended magazine giving shooters the ability to carry in their preferred configuration. Optics ready and equipped with a versatile accessory rail and hammer forged barrel, this exceptional everyday carry pistol delivers the perfect balance.
